

## Merced

### Ranchers Road West – Step 1

- Provides infrastructure and safety improvements to Ranchers Road, a main arterial through campus, including six intersections as well as a bridge crossing the Fairfield Canal.
- Constructs an approximately 3,000 foot long segregated bicycle/pedestrian pathway to improve safety to cyclists entering and exiting campus.
- Creates a primary facilities service hub (e.g. trash, recycle, light maintenance) for the north campus (academic core).
