

Electrical Distribution Improvements Phase 2b

- Improves emergency and standby power systems, upgrades system-management capability to balance loads, responds to outages, and addresses code changes.
- Includes programming upgrades to control systems at Central Utility Plant; extension of emergency/standby power to Health Sciences East and West buildings and elevator cores; control-system improvements to Dentistry building, Millberry Union (MU), and Library; distribution of dedicated standby power from CUP to Parnassus Services Building; addition of new diesel emergency power generator next to Nursing Building; and reconfiguration of emergency/standby power distribution to Clinical Sciences and Nursing Buildings.
- Completes second phase in multi-phase electrical system improvements master plan for the Parnassus campus site. Due to funding limitations Phase 2a was approved as a Chancellor approved project in 2012-13 and is being completed in 2013-14.
