### Completion Instructions:

1. Fill in the blank space for "Project No."
2. The design professional usually prepares the List of Drawings with input from the Facility. All drawings contained in the construction documents must be listed. Drawings must be listed by category (using only the categories that apply) in the following order, with associated prefixes:

#### ***Drawing Categories (with Prefix in Parentheses):***

Title Sheets (T)  
 Civil Drawings (C)  
 Landscape (L)  
 Architectural (A)  
 Structural (S)  
 Mechanical (M)  
 Plumbing (P)  
 Electrical (E)  
 Kitchen (K)  
 Other Drawings (Provide prefix not previously used.)

3. Within each category, the drawings must be listed in numerical sequence. Each drawing must include its number, title, and issue date. If the dates of all drawings in one category are the same, a statement to that effect may be included (e.g., "All architectural drawings are dated June 15, 1994"). If the dates of all drawings in all categories are the same, a statement to that effect may be included (e.g., "All drawings are dated June 15, 1994").

(None)

## Comments:

- 1 The University does not list the drawings in the Agreement; Instead, the University includes the List of Drawings as a construction document. Make certain that all drawings are included in the List of Drawings and that all drawings listed there are included in the construction documents.
