India

Article 22

1. I was a resident of India on the date of my arrival in the United States. I am not a United States citizen. I have not been accorded the privilege of residing permanently in the United States as an immigrant.

2. I am visiting the United States for the purpose of teaching or conducting research at the University of California, ______________, which is an accredited educational institution or scientific research institution. I will receive compensation for my teaching or research activities.

3. The teaching or research compensation received during the entire taxable year (or during the period from ______________ to ______________) qualifies for exemption from withholding of federal tax under the tax treaty between the United States and India. I have not previously claimed an income tax exemption under that treaty for income received as a teacher or researcher before the date of my arrival in the United States.

4. Any research I perform will be undertaken in the public interest and not primarily for the benefit of any private person or persons.

5. I arrived in the United States on ______________ (the date of your last arrival in the United States before beginning the teaching or research activities). The treaty exemption is available for compensation received during a period of two years beginning on that date. The entire treaty exemption is lost RETROACTIVELY if my visit in the United States exceeds two years.

Under penalties of perjury, I declare that this statement, to the best of my knowledge and belief, is true, correct, and complete.
