

2017 Graduate Cost of Attendance Survey

Consent Page

Carry Forward Selected Choices from "If you agree to take the survey, please select agree" [Q36]

Q35 University of California Office of the President is conducting a cost of attendance survey for graduate students at every UC campus. The purpose of the study is to collect data to help University administrators better understand the actual cost of attending the University. In addition, the results will inform current and prospective graduate students about the cost of attending UC. Thank you for your time and your participation in this study. Your answers will be treated with the strictest privacy and confidentiality. Information gathered in this survey will be reported in the aggregate only, and you will never be identified individually in any results - ever. If you have questions about the survey at any time, please contact Jessika Jones at (510) 987-9536. The survey should take about 15 minutes to complete. If you are interrupted while taking the survey, you may return and finish it any time by clicking the link sent to you in your email. Please note that you are not able to go backward and change answers once you click to the next page. If you have any technical issues, please contact GCOA2017@ucop.edu.
