Exception:

Building/Facility: Walker Hall

Work Performed: Food Service

Date: March 18, 2023

Approximate Number of Contract Workers: Four (4)

Reason/Remedy: This was an after the fact confirming order, meaning that it did not go through the standard contracting out review process prior to the event occurring. However, UC Davis catering had been contacted to fulfill the service and was unable to provide sufficient service. Once the event became known, UC Davis reached out to the vendor to have them retroactively sign wage and benefit parity for the event in order to ensure that all contract workers were paid equivalently to UC Davis employees.

CERTIFICATION:

This letter satisfies the certification pursuant to California Education Code section 92493 et seq., effective from January 1, 2017.

I certify that, following a good faith review of the record and based upon information and belief, for each completed building or facility (as listed in Attachment 1) in receipt of state funding, including where the University made debt service payments on a capital outlay or expenditure project after January 1, 2017, all cleaning, maintenance, grounds keeping, food service, or other work traditionally performed by persons in University of California (University) Service Unit (SX) job classifications:

2. Have been performed exclusively by University employees in SX job classifications between July 1, 2022 through June 30, 2023 (FY 22/23), or, if the building/facility became operational after July 1, 2022, since the date the building/facility became operational, except as noted below.

Exceptions:

1. Building/Facility: Clark Library (aka William Andrews Clark Memorial Library)
CAAN 4451

Work Performed: Security Service

Date: From on or about July 2022, through on or about June 30, 2023

Approximate Number of contract workers: One (1)

Reason/Remedy: The Department is actively working to insource the security services agreement. Due to recruitment challenges, the Department has been unable to fill the vacancy, however, in order to recruit a qualified candidate, the Department has implemented an employee referral program and is actively reviewing the starting wages offered to successful candidates. The contract will be terminated once the vacancy has been filled. The estimated insourcing date for this agreement is October 1, 2023.

2. Building/Facility: California Nano Systems Institute
CAAN 4486

Work Performed: Deep Cleaning for High Profile Events

Date: From on or about December 2022, approximately five (5) occurrences

Approximate Number of contract workers: Approximately One to Two (1-2)

Reason/Remedy: Unit contracted cleaning company to perform deep cleaning in support of high-profile events. Unit has been contacted and all future non-specialized deep cleaning will be insourced to Facilities Management.

3. Building/Facility: Jules Stein Eye Institute
CAAN 4333

Work Performed: Security Service

Date: From on or about July 1, 2022, through on or about June 30, 2023

Approximate Number of contract workers: Approximately One to Two (1-2)

Reason/Remedy: The security services agreement was entered into by UCLA Health and the services are currently being performed in a Health clinic located inside of the building. UCLA Health has committed to insourcing by October 1, 2023.

4. Building/Facility: Rehabilitation Center
CAAN 4594

Work Performed: Security Service

Date: From on or about July 1, 2022, through on or about June 30, 2023

Approximate Number of contract workers: Approximately One to Two (1-2)

Reason/Remedy: The security services agreement was entered into by UCLA Health and the services are currently being performed in a Health clinic located inside of the building. UCLA Health has committed to insourcing by October 1, 2023.

5. Building/Facility: Semel Institute for Neuroscience
CAAN 4332F

Work Performed: Security Service

Date: From on or about July 1, 2022, through on or about June 30, 2023

Approximate Number of contract workers: Approximately One to Two (1-2)

Reason/Remedy: The security services agreement was entered into by UCLA Health and the services are currently being performed in a Health clinic located inside of the building. UCLA Health has committed to insourcing by October 1, 2023.

6. Building/Facility: School of Medicine West
CAAN 4332D

Work Performed: Security Service

Date: From on or about July 1, 2022, through on or about June 30, 2023

Approximate Number of contract workers: Approximately One to Two (1-2)

Reason/Remedy: The security services agreement was entered into by UCLA Health and the services are currently being performed in a Health clinic located inside of the building. UCLA Health has committed to insourcing by October 1, 2023.

7. Building/Facility: UCLA Center for Health Sciences
CAAN 4332D

Work Performed: Food Service

Date: From on or about July 1, 2022, through on or about June 30, 2023

Approximate Number of contract workers: Sixteen (16)

Reason/Remedy: Unit is in year eight (8) of a fifteen (15) year contract with food service vendor, which includes capital improvements to be completed during the duration of the contract. Terminating the contract and insourcing the work would result in significant contractual liability for the University. Contract will not be renewed.

8. Building/Facility: UCLA Center for Health Sciences
CAAN 4332D

Work Performed: Security Service

Date: From on or about July 1, 2022, through on or about June 30, 2023

Approximate Number of contract workers: Approximately One to Two (1-2)

Reason/Remedy: The security services agreement was entered into by UCLA Health and the services are currently being performed in a Health clinic located inside of the building. UCLA Health has committed to insourcing by October 1, 2023.

This letter satisfies the certification pursuant to California Education Code section 92493 *et seq.*, effective from January 1, 2017.

I certify that, following a good faith review of the record and based upon information and belief, for each completed building or facility (as listed in Attachment 1) in receipt of state funding, including where the University made debt service payments on a capital outlay or expenditure project after January 1, 2017, all cleaning, maintenance, grounds keeping, food service, or other work traditionally performed by persons in University of California (University) Service Unit (SX) job classifications:

Exception:

- **Building/Facility: Biomedical Science and Physics (0282)**
 - Work Performed: Moving Services
 - Date: April 24 - April 28, 2023
May 8 – May 19, 2023
June 27 – June 30, 2023
 - Approximate Number of contract workers: Three (3) to Six (6) Workers
 - Reason/Remedy: UC Merced moved numerous laboratories and offices into the new Biomedical Science and Physics building. These moves were very time sensitive in order to not interfere with research and involved coordinating with outside manufacturers, packing sensitive materials, and providing specialty equipment to relocate lab equipment. This agreement had the current wage and benefit parity rates on the agreement at the time this work was performed. No UC Merced AFSCME covered staff members were displaced in the hiring of this temporary moving and logistics service. UC Merced will continue to make efforts to utilize UC Merced AFSCME covered staff for moving services, where possible when existing staff have the necessary skills to perform the work.

- **Building/Facility: Fresno Center**

- Work Performed: General Labor
- Date: August 10, 2022
- Approximate Number of contract workers: two (2) workers
- Reason/Remedy: This was a one-time window washing service of the first floor. This supplier has since been removed as a supplier from our financial system as they refused to pay the approved wage and benefit parity rates. UC Merced AFSCME covered staff are currently providing first floor window washing at this location. No UC Merced AFSCME covered staff members were displaced in the hiring of this temporary service.

- Work Performed: Groundskeeping Service
- Date: May 1, 2023
- Approximate Number of contract workers: two (2) workers
- Reason/Remedy: This was an emergency service due to a heavy rainstorm. A tree fell on a vehicle at the Fresno Center and there were no UC Merced AFSCME covered staff available at this remote location more than ten (10) miles from the UC Merced campus. This agreement had the current wage and benefit parity rates on the agreement at the time this work was performed. No UC Merced AFSCME covered staff members were displaced in the hiring of this temporary groundskeeping service.

CERTIFICATION:

This letter satisfies the certification pursuant to California Education Code section 92493 *et seq.*, effective from January 1, 2017.

I certify that, following a good faith review of the record and based upon information and belief, for each completed building or facility (as listed in Attachment 1) in receipt of state funding, including where the University made debt service payments on a capital outlay or expenditure project after January 1, 2017, all cleaning, maintenance, grounds keeping, food service, or other work traditionally performed by persons in University of California (University) Service Unit (SX) job classifications:

1. Shall be performed exclusively by University employees in SX job classifications going forward, and,
2. Have been performed exclusively by University employees in SX job classifications between July 1, 2022 through June 30, 2023 (FY 22/23), or, if the building/facility became operational after July 1, 2022, since the date the building/facility became operational, except as noted below.

Exception:

Building/Facility: Jack Baskin Engineering

Work Performed: Food Service

Date: 4/14/2023, 5/26/2023

Approximate Number of contract workers: 4-6

Reason/Remedy: UC Santa Cruz catering was contacted first and stated it was unable to provide service on date requested due to staffing shortages and multiple events on service dates. UC Santa Cruz catering continues to recruit for staff to meet demand. The supplier contract was for this event only.
