__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________

Appropriate next steps:
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________

2. Eligibility to serve as Principal Investigator

__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________

Appropriate next steps:
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
3. Conflict of Interest

__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________

Appropriate next steps:
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________

4. Submittal of proposal through authorized channels

__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________

Appropriate next steps:
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
__________________________________________________________________
5. Questioning how fund numbers are assigned and determine whether the new grant can have the same fund number as the old grant

__________________________________________________________________

__________________________________________________________________

__________________________________________________________________

__________________________________________________________________

__________________________________________________________________

Appropriate next steps:

__________________________________________________________________

__________________________________________________________________

__________________________________________________________________

__________________________________________________________________

__________________________________________________________________

6. Budget overdraft

__________________________________________________________________

__________________________________________________________________

__________________________________________________________________

__________________________________________________________________

__________________________________________________________________

Appropriate next steps:

__________________________________________________________________

__________________________________________________________________

__________________________________________________________________

__________________________________________________________________
1. When UC accepts a sponsored project, which obligation do we also accept?
   
   A. To comply with federal regulations.
   B. To steward public assets.
   C. To perform the research with integrity.
   D. All of the above.
   E. None of the above.

2. Indicate whether the following statements are true or false (T/F).
   
   ___ A classroom project that involves the analysis of questionnaires completed by students requires University approval for the use of human subjects.
   ___ Principal investigators may negotiate and sign agreements on behalf of the University.
   ___ A Principal Investigator must participate to a significant degree in a research project submitted for consideration by an agency.
   ___ A conflict of interest will prevent a proposal from being approved by an agency.
   ___ Cost sharing is required of every proposal for extramural funding.
   ___ IACUC approval is required before performing any activities involving live vertebrate animals.

3. When a Sponsored Projects Office reviews a proposal, it does not review for the following:
   
   A. Compliance with agency guidelines.
   B. Cost sharing requirements.
   C. PI eligibility.
   D. Management experience of the PI.
   E. Environmental, health, and safety issues.
1. A Principal Investigator has asked you to transfer an expense from one grant to another. Which requirements must you consider? Circle all appropriate answers.
   A. How long has it been since the original expense was charged?
   B. Is the justification for the transfer appropriate?
   C. Is this an allowable cost to the project?
   D. Have the correct supporting documents been provided?

2. What information does the PAR form capture?
   A. Percentage of time an employee is paid by a grant.
   B. Percentage of time an employee works on a project but is paid from another source (cost sharing).
   C. Effort associated with all titles on which the employee is paid.
   D. All of the above.
   E. None of the above.

3. Which of the following statements about cost sharing are true?
   A. Cost sharing includes only salaries.
   B. Costs can be used more than once to support several projects.
   C. Cost sharing is how you pay for those things that would be unallowable on a project.
   D. Cost sharing is part of the project’s budget.
   E. None of the above.
