RE: Represented Librarian Salary Scales

Dear Colleagues:

In accordance with the recently ratified agreement between the University Council - American Federation of Teachers (UC-AFT) and the University of California, the November 2024 salary scales for Represented Librarian titles are issued below.

Pursuant to the terms of Article 13, Salary, of the contractual agreement, the 2024-25 represented Librarian salary scales have had the two bottom salary points removed at the Assistant and Associate Librarian ranks and have received a one-time general range adjustment to align the salary rates with the July 2024 policy-covered Librarian salary scale rates (T26-A and T26-A(N)). The salary scales have an effective date of November 1, 2024, for monthly paid appointees and November 10, 2024, for biweekly paid appointees. The following salary scales are included in this issuance:

- Represented Librarian Series – Table 26-B (exempt); Table 26-B(N) (non-exempt)

The salary scales will be available on the [Systemwide Academic Personnel website](#).

If you have questions, please email Associate Director James DiCaprio at James.DiCaprio@ucop.edu.

Sincerely,
