

Product Options to Fund Your Clipper Card Account

The options below are for BART high value tickets, but they should work the same for other transit passes such as Muni and AC Transit
 (The value you enter for any of these options plus any transaction fee will be deducted pre-tax from your payroll)

Product Option on Commuter Check Direct (CCD) Website	BART High-Value Discount	Transaction Fee (\$2)	Description
<p>Commuter Check Card Prepaid MasterCard</p> <p><i>A re-loadable commuter benefit card for Transit or Parking that can be used to purchase transit or parking products.</i></p> <p><i>IMPORTANT: Visit Clipper website to learn more about how to use the MasterCard and the temporary authorization charge of \$2 by Clipper. You must have enough in your MasterCard account to cover your purchase and the \$2 temporary charge or your Clipper card will be blocked due to insufficient fund. Contact Clipper to unblock.</i></p>	YES	NO	<p>MasterCard is used as a funding source for your Clipper card account. You must set up Autoload for BART high-value discount.</p> <p><u>Pros:</u> maximum saving (BART discount plus pre-tax saving).</p> <p><u>Cons:</u> complicated to set up and maintain, having to keep track of both MasterCard and Clipper accounts.</p> <p>NOTE #1: Clipper card account is your responsibility; Commuter Check Direct is only responsible for your MasterCard account and the amount you've ordered to be loaded onto the MasterCard.</p> <p>NOTE #2: You also have the option to use the MasterCard to add value to your Clipper card as needed. However, you would not receive the discount that only comes from Autoload.</p>
<p>Clipper - BART \$64 High Value Ticket (only up to 3 tickets)</p>	YES	YES	<p>Fund goes directly to your Clipper card account.</p> <p><u>Pros:</u> easy to set up.</p> <p><u>Cons:</u> pay an additional \$2 transaction fee per successful load.</p>
<p>Clipper - E-Cash</p>	NO	YES	<p>Fund goes directly to your Clipper card account.</p> <p><u>Pros:</u> easy to set up and you can also choose the exact amount you need each month.</p> <p><u>Cons:</u> no BART discount plus have to pay additional \$2 transaction fee.</p>
<p>Commuter Check Voucher</p>	NO	NO	<p>You have to redeem the voucher at participating transit agencies or retailers to have the fund loaded onto your Clipper card account.</p> <p><u>Pros:</u> easy to set up.</p> <p><u>Cons:</u> inconvenient to have to redeem the voucher each time; no BART discount.</p>
