

The December 2015 BRC Blast

Happy Holidays from the BRC!

UCOP senior leaders will be hosting the *2015 Office of the President End-of-Year party* on Thursday, December 10, in the Kaiser Building, located at 300 Lakeside Drive on the 2nd floor. The festivities begin with the UCOP Talent Show at 1:30 p.m., followed by a 3:00 p.m. reception. Finger foods, both sweet and savory, and drinks will be served.

In light of the above, this is a gentle reminder that the BRC may ask for additional information and/or approvals for department meetings and events that are scheduled in December and January that may appear to be counter to the message below:

The following was included in an email from EVP/COO Rachael Nava on November 25, 2015:

“As we have clarified in prior years, while this event [the Dec 10 party] does not preclude departments from holding their own individual events, those events (including supplies and decorations) must also be paid using personal funds and will not be reimbursed by the University”
