

## Engineering Renovations

- Provides facilities for planned reassignments following occupancy of the new Engineering Hall.
- Includes renovation of Engineering Tower and the Rockwell Engineering Center (REC).
- Replaces old and deteriorated heating/ventilation/air-conditioning system in Engineering Tower and retrofits existing dry laboratories to accommodate wet-lab research.
- Renovates release space in the Rockwell Engineering Center to accommodate school-wide student services and academic-support units.
- Supports campus goal to renovate or replace obsolete facilities.
- Will comply with the UC equivalent of a LEED™ Commercial Interiors rating.
