Laboratory for Energy-related Health Research (LEHR) Remediation

- Component of ongoing efforts to mitigate environmental impacts from the Old Campus Landfills and associated waste units on the south campus
- In 1994, the United State Environmental Protection Agency (EPA) placed 25 acres on the south campus on the National Priorities List as a Superfund Site. The University is bound under Federal Administrative Order on Consent to clean-up the Site in accordance with the requirements of state and federal laws and regulations.
- Project completes EPA-selected “Alternative #6” for addressing solid waste and groundwater remediation.
