

Los Angeles **UNEX Building Seismic Correction**

FY of Approval: 2014-15

Project Description

- Upgrades to the University Extension Building from a seismic rating of Level V (formerly, "Poor") to Level III (formerly, "Good.")
- Strengthens the lateral-force-resisting system of the building and addresses fire, life-safety, and accessibility deficiencies.
- Provides infrastructure improvements and finish upgrades to a 1960's era building.
- Provides potential to relocate the UNEX program and upgrade building for an alternative use. The building is located in the Campus Bridge Zone, between the Southwest campus and the Health Sciences zone.
- Part of the campus's Seismic Safety Program.

Project Scope Summary

ASF	68,500
GSF	95,065

Summary of Budget by Fund Type

Campus Funds	\$	20,325,000
Total Budget	\$	20,325,000
