Notes:

1. Expenses for books and supplies represent the average for all students (i.e., are not specific to the budget category).
2. In most cases, survey estimates for commuters are based on *very small samples*. Inter-campus differences in average expenses are generally *not statistically significant*.
3. Healthcare allowance is determined by the campus and is often set at the amount of Undergraduate Student Health Insurance Program (USHIP) charges.
4. Total numbers of students based on Fall 2022 headcount. Numbers of on-campus students are based on Housing Office projections. Numbers of commuter and off-campus students are estimated based on COAS:23.
5. Fees are subject to change without notice.
