# Let's look at the program description

Privacy & information security

Records management (systemwide)

Records management (UCOP)

Sautter Award Program >

## Program description

Program goals, eligibility, project requirements, and selection criteria

## Current and previous awards

Project descriptions of award winners and all applications

## Selection committee

Selection committee members by year

## Frequently asked questions

Answers about applying for Sautter awards

# What makes an application stand out?

- Be succinct, use plain English, stay within the 5 page limit
- Include the requested information
- Highlight the collaboration / cross location teams / partnerships
- Emphasize the solution / impact, not the technology
- Describe the innovative spark
- Tell the story

# How do the winners get selected?

- **May 18, 2018**, deadline
- Submit PDF or Word doc via email
- Selection committee meets in June/July
- Applicants informed a week later

# If we win...what happens?

- Presented each year at the UC Computing Services Conference
- UCD – August 13 - 15, 2018 <https://uccsc.ucdavis.edu/>
- Up to 3 golden, 2 silver, 5 honorable mentions
- Plaque/certificate, announcements, prestige among peers
- Publicized in UC IT Blog and campus news

# If we think of questions later...
