¹Neither parent has a 4-year college degree.

²California community college transfers exclude International, Education Abroad, Limited Status, and Second Baccalaureate students.

³Applicants reporting household income (weighted) at or below the 30th percentile based on the March supplement of the Current Population Survey (CPS) for Californians aged 30–65, \$58,004 or less for 2020, \$63,232 for 2021, and \$65,916 for 2022. Income reported for fall 2021 was pre-Covid.

Note: Data exclude students who did not report parental education level or family income.
