# ANNUAL REPORT ON COMPENSATED OUTSIDE PROFESSIONAL ACTIVITIES FOR CALENDAR YEAR 2012: INCUMBENTS IN SENIOR MANAGEMENT POSITIONS

Attached is the 2012 annual report of compensated Outside Professional Activities (OPA) for members of the Senior Management Group (SMG).

As stated in the Senior Management Group Outside Professional Activities policy (Regents Policy 7707), approved by the Regents in January 2010:

"...Considerable benefit accrues to the University from Senior Management Group (SMG) members' association with external educational and research institutions, not-for-profit professional associations, federal, state and local government offices and private sector organizations. Such associations foster a greater understanding of the University of California and its value as a preeminent provider of education, research, public service, and health care. Such associations also may provide a stimulus for economic development and enhanced economic competitiveness."

Section III.B.3.a. of the policy on Senior Management Group Outside Professional Activities states the limits on compensated OPA:

- i. An SMG member may serve simultaneously on up to three for-profit boards that are not entities of the University of California for which s/he receives compensation and for which s/he has governance responsibilities.
- ii. An SMG member will be required to use his/her personal time to engage in compensated OPA, by either performing such activities outside his/her usual work hours or debiting accrued vacation time consistent with applicable leave policy.
- iii. An SMG member who is appointed at 100 percent time shall not receive additional compensation for any work or services from an entity managed exclusively by the University, regardless of source or type of payment, with the exception of University Extension.

#### **Report Highlights**

The attached report reflects the individually-certified declarations of every member of the SMG regarding their compensated OPA that occurred in calendar year 2012. SMG members who left the University before January 1, 2013 and those who served in SMG positions in an acting capacity are not included in this report. Compensated OPA that occurred before 2012 or before the SMG member's appointment to their SMG position are not included in the report.

Following the individual certification by SMG members, the Chancellors, the Lawrence Berkeley National Laboratory Director and the Division and Department Heads of the Office of the President certified their reports as to the inclusion of all SMG members meeting the aforementioned criteria.

The Office of Ethics, Compliance and Audit Services reviewed this report and coordinated an individual review of the OPA reported by a sample of the SMG members in this report. The Office of Ethics, Compliance and Audit Services also reviewed the OPA reporting process performed by the SMG Coordinators at each location.
