(1) The rates shown for California resident students also apply to any nonresident student who is exempt from Nonresident Supplemental Tuition under Regental policy.

(2) Per term calculations refer to the first academic year only; in out-going years, per-term calculations may vary by year. PDST increases for 2019-20 are effective Fall 2019 or Summer 2019 for programs whose academic year begins in the summer.

(3) Amounts reflect maximum levels approved by the Regents under the amended PDST policy. By AY 2020-21, every program that assesses PDST will have transitioned and have a multi-year plan in place that has been approved by the Regents in accordance with the amended policy.

\* These figures may not be final; actual tuition, fees, and charges are subject to change by the Regents of the University of California or, as authorized, by the President of the University of California. Accordingly, final approved levels and charges may differ from the amounts shown.

- (1) The rates shown for California resident students also apply to any nonresident student who is exempt from Nonresident Supplemental Tuition under Regental policy.
- (2) Per term calculations refer to the first academic year only; in out-going years, per-term calculations may vary by year. PDST increases for 2019-20 are effective Fall 2019 or Summer 2019 for programs whose academic year begins in the summer.
- (3) Amounts reflect maximum levels approved by the Regents under the amended PDST policy. By AY 2020-21, every program that assesses PDST will have transitioned and have a multi-year plan in place that has been approved by the Regents in accordance with the amended policy.

\* These figures may not be final; actual tuition, fees, and charges are subject to change by the Regents of the University of California or, as authorized, by the President of the University of California. Accordingly, final approved levels and charges may differ from the amounts shown.
