

attached hereto, is incorporated herein by this reference."

10. Is there any recital in the contract that an attached document is made a part of the contract? If so, has that document been attached as recited?
11. If a State of California contract on the Standard Agreement Form 2 is involved, is there a printed clause on the reverse side thereof which reads as follows:

"Contractor shall not be allowed or
paid travel or per diem expenses
unless set forth in this agreement"?

If so, and if travel or per diem expenses are to be allowed or paid to contractor under the contract, is a typewritten statement to this effect set forth in the contract?
